

Dear Friends,

It is my great pleasure to recommend the Harris Family to you. Roger, Sue, Shanna, and Kristen are four talented musicians and the love of Christ pervades their spirits, as well as their music. They were such a joy to have in our church!

The Harris Family came to First Baptist Church of Holland, Texas for a special service during which we premiered a fundraising campaign for our new church plant. They provided special music in our service and also gave a concert following lunch. In all my dealings with the Harris Family I have been impressed by their professionalism. They accommodated our needs and were willing to do whatever we asked. Everyone in our congregation enjoyed them thoroughly. People are still talking about how much their ministry blessed our church family.

If you are considering bringing the Harris Family to your church or ministry, please do not hesitate. We most certainly will host them in our church again. In fact, we have already booked them for the dedication of our new church facilities!

Blessings,

Bro. Randy Evans, Pastor
First Baptist Church Holland
