

Dear friends,

It is my pleasure to recommend to you the Harris family. They have sung in our church on numerous occasions and we look forward to having them back many more times in the future. Their gospel music is a wonderful combination of beautiful melodies, tight harmonies, and moving lyrics that make the message of the Savior clear and powerful. Their sweet spirit has always been a blessing to our people. They have been a joy to work with. I commend them to you and your church without reservation.

In Christ,

Dr. Ed Seay  
Senior Pastor  
First Baptist Church of Magnolia, Texas
